WATER RATES & FEES

Saraland Water and Sewer is proud to serve nearly 5,000 customers in our service area to provide clean, safe, and reliable water and sewer services with a commitment to community and customer care. We work hard to keep rates as affordable as possible, and our rates remain among the lowest in the region. Unlike investor-owned utilities, Saraland Water and Sewer does not profit from rates — revenues are reinvested into the water and sewer system.
